Dear Parents/Guardians,

As you may remember, our school was inspected during May. The final report is now available and a copy will be made available to all of our parents.

We are delighted to receive such an excellent report from Estyn which fully acknowledges the many strengths of our school.

We are particularly pleased with the following comments:

- *'Most pupils across the school have made **exceptional** progress since September 2021.'*
- *'Pupils' speaking, reading and writing skills in English are of a **high standard**.'*
- *'The school is a **happy and welcoming community in which all pupils and staff** feel valued. Pupils enjoy the learning experiencesand have **very positive** attitudes towards school and learning'.*
- *'Nearly all pupils **behave very well** during lessons, moving around school and at break times. They are polite, courteous and respectful towards each other, staff and visitors.'*
- *'Across the school, teaching is of a **consistently high quality**'.*
- *'Many pupils have made **outstanding** progress in writing this year'*
- *'Teachers know their pupils well. They create warm, respectful relationships with them and provide an engaging and inclusive environment, which makes the school a **delightful place to learn**'*
- *'Staff create an **exceptionally warm and caring** learning environment where pupils feel valued and safe'.*
- *'The school provides a **very strong start** for pupils'*

I would like to thank everyone at school, including our governors, staff, parents and carers, and, of course, our wonderful pupils, for contributing to making our school a vibrant, happy and successful learning environment.

Yours sincerely,

Richard Collett
