1. Introduction

At Ysgol Mynydd Isa we recognise our duty and responsibility to eliminate discrimination and promote equality for pupils, employees, other members of the school community and service users regardless of their race, gender, disability, gender identity, sexual orientation, pregnancy and maternity, religion or belief, marriage and civil partnership as defined within the Equality Act 2010.

We have developed our Strategic Equality Plan (SEP) to ensure equality is at the heart of everything that we do as an education provider and as an employer. The SEP sets out our priorities for equality for 2020 - 2024 and the actions we will take to reduce identified inequalities, improve outcomes in education and employment and foster good community relations.

The Plan will also help us to meet the general duty of the Equality Act (2010):-

1. Eliminate discrimination, harassment, victimisation and any other conduct that is prohibited under the Act;
2. Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it; this means
 - a. removing or minimising disadvantages suffered by persons who share a relevant protected characteristic that are connected to that characteristic, (definition of protected characteristics in Diversity and Equality policy)
 - b. taking steps to meet the needs of persons who share a relevant protected characteristic that are different from the needs of persons who do not share it
 - c. encouraging persons who share a relevant protected characteristic to participate in public life or in any other activity in which participation by such persons is disproportionately low
3. Foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

2. Our School and Community

2.1 Our Vision

Our vision is Learning together-succeeding together by Believing in all

2.2 Aims

Moving Forward-Encouraging resilience through challenge
Respect-Valuing self,others and the community
Caring-Nurturing self-esteem in a safe environment
Happy-Taking on every challenge with a smile
Together-Supporting all in an inclusive learning community

2.3 Profile

A description of our school and its community is set out in our Diversity and Equality Policy- see **appendix 3**. This also describes our commitment and approach to promoting equality in education and employment. All school Governors, employees and pupils have responsibility for promoting equality and adhering to the policy.

2.4 Mainstreaming Equality into Policy and Practice

As well as the specific actions set out beneath this plan, the school operates equality of opportunity in its day to day practice in the following ways. We aim to provide all our pupils with the opportunity to succeed, and to reach the highest level of personal achievement. To do this, we will:

- use contextual data to improve the ways in which we provide support to individuals and groups of pupils;
- monitor achievement data according to the various protected characteristics and action any gaps;
- take account of the achievement of all pupils when planning for future learning and setting challenging targets;
- ensure equality of access for all pupils and prepare them for life in a diverse society;
- use materials that reflect the diversity of the school, population and local community in terms of the various protected characteristics, without stereotyping;
- promote attitudes and values that will challenge racist and other discriminatory behaviour or prejudice;
- provide opportunities for pupils to appreciate their own culture and celebrate the diversity of other cultures;
- seek to involve all parents in supporting their child's education;
- encourage classroom and staffroom discussion of equality issues which reflect on social stereotypes, expectations and the impact on learning;
- include teaching and classroom-based approaches appropriate for the whole school population, which are inclusive and reflective of our pupils.

3. Responsibilities

3.1 Governing Body:

The Governing Body has set out its commitment to equality and diversity in the SEP and it will continue to do all it can to ensure that the school is fully inclusive to pupils, and responsive to their needs based on the various protected characteristics. The Governing Body seeks to:

- ensure that people are not discriminated against when applying for jobs at our school;

- take all reasonable steps to ensure that the school environment gives access to people with disabilities, and also strive to make communications as inclusive as possible for parents, carers and pupils;
- ensure that no child is discriminated against whilst in our school.

In order to meet its reporting responsibility, the governing body will report on the progress of the SEP annually, as part of its Annual Report to parents.

3.2 Senior Leadership Team

The Senior Leadership Team promotes equality and eliminates discrimination by:

- implementing the school's SEP, supported by the governing body in doing so;
- ensuring that all staff are aware of their responsibilities under the Act and are fully informed of our school's SEP and equality objectives,
- ensuring that all appointments' panels give due regard to this plan, so that no one is discriminated against when it comes to employment or training opportunities;
- promoting the principle of equal opportunity when developing the curriculum, and promoting respect for other people and equal opportunities to participate in all aspects of school life;
- treating all incidents of unfair treatment and any incidents of identity based bullying including racist, homophobic, transphobic and disability related incidents, according to Flintshire County Council and school policies.

3.3 All Staff

The school regards equality for all as a responsibility for all. All members of staff contribute to ensuring that our school is a fair, just and cohesive community by:

- ensuring that all pupils are treated fairly, equally and with respect, and will maintain awareness of the school's SEP;
- striving to provide material that gives positive images based on the protected characteristics and challenges stereotypical images;
- challenging any incidents of prejudice, racism or homophobia, and record any serious incidents as prescribed in the LA and school's policies, e.g. reporting of racial incidents;
- supporting the work of support staff and encourage them to intervene in a positive way against any discriminatory incidents.

4. Information Gathering and Engagement

4.1 Information

Data and information is reviewed and analysed to measure our performance and identify areas for improvement; subsequent actions are included in an action plan. All data collected is used solely for the purpose of analysing trends by protected characteristic. – see **appendix 3** for definitions of these characteristics

It is stored separately from personal information which identifies the individual and we ensure it meets the requirements of the Data Protection Act. To protect the identity of individuals published information contains data which has been aggregated. The Welsh Government and Local Education Authority collate and publish pupil data provided by schools. Flintshire County Council publish profile of the workforce.

The wide range of information gathered to identify equality objectives may include the following:

- Flintshire County Council's Equality Objectives as available on Flintshire County Council Website
- an analysis of the responses received from pupils, parents/carers, staff, governors and community groups following the distribution of a questionnaire to determine equality issues. The questions included in the questionnaire do not highlight specific protected characteristics, but seek to obtain stakeholders' views across the board;
- profile of the local community;
- identification of children and young people, parents, carers, staff and other users of the school representing the different protected characteristics, if possible and appropriate;
- pupil attainment and progress data relating to different groups;
- school exclusions and expulsions by protected characteristic
- Free School Meals (FSM) uptake;
- incidents of identity based bullying and harassment
- reviewing hate incidents for Flintshire,
- research undertaken by Welsh Local Government Association
- sports and activities choices of all groups;
- data on the recruitment, development and retention of employees;
- outcomes of actions taken to secure the involvement of parents and others who have been identified as difficult to engage.

4.2 Engagement

We regularly involve stakeholders, including children and young people, staff, parents/carers, governors, other users of the school and community representatives in relation to the development of policies and as required by the equalities duties. We may use a range of mechanisms including:-

- Involving the School Council
- Circulating questionnaires in a variety of formats and languages to ensure the questionnaire is accessible and meets the communication needs of consultees,
- Holding meetings and focus groups ensuring the timing and venue is accessible and inclusive for stakeholders;
- Working with the Council's Strategic Policy Advisor to engage with groups who are "seldom heard".

Specifically for the SEP, we:-

- Involved members the Governing Body which included Parent Governors.

- Have shared it with members of the School Council.

5. Equality Impact Assessment (EIA)

Equality Impact Assessment refers to the review of all current and proposed plans and policies in order to help us act to promote equality and to ensure no person is disadvantaged by school activities through discrimination. Equality Impact Assessments are an on-going process to ensure that the school's plans and policies are developed in an increasingly inclusive and equitable way. Please refer to appendix 2 - EIA template.

At the Ysgol Mynydd Isa we undertake Equality Impact Assessments upon new and revised policies and plans to identify potential and actual inequalities and to promote equality and good community relations. This ensures we develop inclusive policies.

6. Our Equality Objectives

The overall objective of the Strategic Equality Plan is to provide a framework for the school to pursue its equality objectives to eliminate unlawful discrimination and harassment; promote equality of opportunity; and promote good relations and positive attitudes between people of diverse backgrounds in all its activities.

Our objectives relate to all of the relevant protected characteristics and contribute to meeting the General and Specific Duties of the Equality Act (2010).

Our chosen Equality Objectives are:

- **Action area 1:** Increase the number of children and young people in underrepresented groups attending extra-curricular and extension activities to develop physical activities and/or nutrition
- **Action area 2:** Reduce the gap in academic achievement between groups of students (e.g. boys and girls / FSM / EAL) at key stages
- **Action area 3:** Reduce incidents that might impact on the ability of pupils to maximise their individual potential.
 - a) Improve knowledge, skills and attitudes to enable pupils to appreciate and value difference and diversity, for example increasing understanding by further improving the teaching of themes relating to Black, Asian and Minority ethnic communities across all parts of the curriculum. This will help reduce any identity-based bullying in school
 - b) Become a Unicef Rights Respecting School. <https://www.unicef.org.uk/rights-respecting-schools/>

We have action plans covering all relevant protected characteristics, see **appendix 1**. These describe how we are taking action to fulfil both the general and specific duties.

The action plans show:

- the action we will take to meet the objectives;
- how we will measure improvement;
- who has responsibility for action;
- resource implications;
- clear time scales;

The school evaluates the effectiveness of the SEP on a regular basis, through the Governing Body and with Estyn when the school is inspected.

We developed our Equality Objectives using:

- Flintshire County Council's Objectives available on the Councils website
- Views expressed by stakeholders that have been involved in the development of the scheme;
- Issues arising as a result of our analysis of our pupil data, e.g. attainment data of boys compared with girls; up take of Free School Meals

Our Equality Objectives are set out in our School Equality Objectives & Action Plan – see **appendix 1**.

7. Monitoring, Review and Publication

A copy of our Strategic Equality Plan (SEP) will be published in English on our website and will be made available in a range of formats on request. The SEP will be monitored on a termly basis by the Governing Body via the HT report. We will publish an annual report on our progress, which will form part of the Governors' Annual Report to Parents. A full review of the SEP will be undertaken and republished by April 2024 or earlier, if as a result of monitoring or new evidence, we need to alter any of our equality objectives or include new objectives.

Equality and Welsh Language Impact Assessment Template

The aim of an equality and Welsh impact assessment (E & WLIA) is to ensure that policies help to promote equality and Welsh language. The E & WLIA contributes to effective policy making by providing an opportunity to minimise risk and maximise the benefits of a policy, therefore ensuring we have the best possible policy in place. It also helps us to meet our requirements under the general equality duties of the Equality Act 2010 and Welsh Language Act 1993. **Throughout this document we use the word ‘policy’ to refer to what we are assessing. In this context, the term includes the different things that we do, including strategies, functions, procedures, practices, decisions, initiatives and projects.**

All E & WLIAs should consider the potential impact of policies in respect of all areas of equality and Welsh language including human rights and socio economic issues. When carrying out an assessment you should consider negative and positive consequences of your proposals. Our approach to E & WLIAs will help us to strengthen our work to promote equality and Welsh language. It will also help to identify and address any potential discriminatory effects before introducing a policy and reduce the risk of potential legal challenges. When carrying out an E & WLIA you should consider both the negative and positive consequences of your proposals

If a project is designed for a specific group, you also need to think about what potential effects it could have on other areas of equality. Further advice, guidance and training is available and should be used when conducting E & WLIAs.

Accessibility Plan 2020 - 2024

| Approved On: | 4/7/19 |
| Next Review: | Next Review: Summer 2022 Signed: A.Davies  |

Background

The Equality Act 2010 provides a single, consolidated source of discrimination law. It simplifies the law and it extends protection from discrimination in some areas and

applies to all maintained and independent schools, and maintained and non-maintained special schools in England and Wales. Schools cannot unlawfully discriminate against pupils because of their sex, race, disability, religion or belief or sexual orientation.

The Act makes it unlawful for the responsible body of a school (the Governing Body) to discriminate against, harass or victimise a pupil or potential pupil:

- In relation to admissions,
- In the way it provides education for pupils,
- In the way it provides pupils access to any benefit, facility or service, or
- By excluding a pupil or subjecting them to any other detriment.

Maintained schools including Pupil referral units, are public authorities and are subject to public sector equality duties. Complying with the public sector equality duties give public bodies legal responsibilities to demonstrate they are taking action on equality in policy making, the delivery of services and public sector employment. The duties require public bodies to take steps not just to eliminate unlawful discrimination and harassment, but also to actively promote equality.

In order to meet the public sector equality duties, schools must publish equality objectives – please refer to our School Equality Objectives & Action Plan – see **appendix 1**. There is also a requirement to have an Accessibility Plan outlining how schools intend to improve access for disabled pupils to the physical environment, the curriculum and written information.

Our Aims

Ysgol Mynydd Isa values the individuality of all students and is committed to giving each one every opportunity to achieve the highest standards. The expectations of all staff are high and students are encouraged to have a positive attitude and to achieve the best that they possibly can, both in and out of the classroom.

The School aims to be inclusive and actively seeks to remove barriers to learning and participation. Therefore equality of opportunity must be a reality for all our students and staff, including those who may be disabled. This policy helps to ensure that Ysgol Mynydd Isa promotes the individuality and independence of all students. The aims of our policy are:

- To actively seek to remove barriers to learning and participation.
- To make equality of opportunity a reality for all our students and staff, including those who may be disabled.
- To ensure that disabled and non-disabled students alike benefit from the education our school provides.
- Not to treat a disabled student or staff member less favourably than a non-disabled student or member of staff simply because of their disability.
- To treat disabled students and staff more favourably in order to achieve equal access for all.

- To make all reasonable adjustments to ensure that a disabled student or member of staff is not placed at a disadvantage.
- To do our best to anticipate the needs of a disabled student or member of staff before they join the school.

Responsibility

The Governing Body is the responsible body for the school's duty not to discriminate. The designated member of staff (senior manager), together with a nominated governor, jointly discharge the responsibility of ensuring that we meet these obligations, including liaising with the LA, keeping the Governing Body informed of any new regulations, and ensuring that the school regularly reviews its processes and procedures.

Provisions Relating to Disability

The disability provisions in the Equality Act mainly replicate those in the former Disability Discrimination Act (DDA). There are some minor differences as follows:

- Unlike the DDA the Equality Act does not list the types of day to day activities which a disabled person must demonstrate that they cannot carry out, thus making the definition of disability less restrictive for disabled people to meet.
- Failure to make a reasonable adjustment can no longer be defended as justified. The fact that it must be reasonable provides the necessary test.
- Direct discrimination against a disabled person can no longer be defended as justified – bringing it into line with the definition of direct discrimination generally.
- From September 2012 schools and local authorities have a duty to supply auxiliary aids and services as reasonable adjustments where these are not being supplied through Special Educational Needs (SEN) statements or from other sources.

Definition

The Equality Act 2010 defines disability as *'when a person has a physical or mental impairment which has a substantial and long term adverse effect on that person's ability to carry out normal day to day activities'*.

This definition needs to be read in conjunction with the definition of Special Education Needs (SEN) in the SEN Code of Practice for Wales 2002.

"Children have special educational needs (SEN) if they have a learning difficulty which calls for special educational provision to be made for them. Children have a learning difficulty if they:

- a) have significantly greater difficulty which calls for special education provision to be made for them
- b) have a disability which prevents or hinders them from making use of educational facilities of a kind generally provided for children of the same age in schools within the area of the LA.
- c) are under compulsory school age and fall within the definition at (a) or (b) above or would do so if special educational provision was not made for them.

Special Education provision means:

- a) for children two or over, educational provision which is additional to or otherwise different from, the educational provision made generally for children of their age in schools maintained by the LA, other than special schools in the area.
- b) for children under two, education or provision of any kind.”

It can be seen that the two definitions are not always mutually compatible and that, indeed, protection under one Act does not automatically include protection under the other. Therefore this plan needs to be read in tandem with the following policies: Additional Needs Policy, Admissions Policy, Fire and Emergency Evacuation Policy, Health & Safety Policy, Equality and Diversity Policy

Reasonable Adjustments

The object of the reasonable adjustments duty under the Equality Act is to avoid as far possible by reasonable means, the disadvantage which a disabled pupil experiences because of their disability. For schools the duty is summarised as follows:

- Where something a school does places a disabled pupil at a disadvantage compared to other pupils then the school must take reasonable steps to try and avoid that disadvantage.
- Schools will be expected to provide an auxiliary aid or service for a disabled pupil when it would be reasonable to do so and if such an aid would alleviate any substantial disadvantage that the pupil faces in comparison to non-disabled pupils.

The duty does not require schools to make reasonable adjustments to avoid the disadvantage of physical features as this is already considered as part of the planning duties. I.e. that schools accessibility plans are in place for increasing over time the accessibility of schools for pupils with disabilities.

Reasonable adjustments to improve access to the curriculum will include classroom organisation, the deployment of support staff, timetabling and staff training. Many of the adjustments we make are dependent upon a student's individual needs, which are reflected in their Individual Education Plans (IEP's). We draw upon all sources

available and therefore parents and carers are asked to keep us informed about any relevant issues in order that we can work towards resolving them.

Criteria for Reasonable Adjustments

The individual circumstances of the pupil and school mean that a degree of professional judgement is always necessary to determine what is reasonable. The issues that may need to be considered would include:

- The strengths of the pupil
- The health of the pupil
- The costs of the adjustments
- Health and safety factors for the pupil and other pupils
- The nature of the alternative arrangements to be made

A balance needs to be made between the benefits for the pupil and all of the other factors that relate to the impact of the adjustment being made.

Funding

The National Assembly for Wales Circular 15/2204, Planning to Increase Access to Schools for Disabled Pupils indicates in paragraph 6.1, the LA should fund certain items to make a school more accessible for disabled pupils. These would include capital work, such as rebuilding, the installation of lifts, electromagnetic doors, sound proofing, accessible toilets and the provision of more expensive, specialist equipment. The LA will therefore plan ahead to achieve accessibility to its schools for people with a disability and continue to work toward making school building's accessible. It further states within the Wales Circular, in paragraph 6.3, that maintained schools need to look to their delegated budgets to fund the elements of their access plans, other than capital works.

Standards for New Buildings and Adaptations

Work must comply with Building Regulations Approved Document Part M or British Standards BS8300.

A building regulations application to the Local Authority may be required for certain works.

Planning approval may need to be sought. Landlord approval; may be required from LA for schools who are funding self-help schemes. Some common requirements for consideration are as follows:

- Approach to School
- Ramps
- Entering the School

- Doors
- Fire Exits
- Lifts / wheelchair platform lifts
- Hall
- Dining Room / Canteen
- Classrooms
- Cloakrooms / Changing Areas
- Accessible WCs
- Library
- Sports Hall & Gymnasium
- Medical room
- Corridors
- Visual impairment considerations

Specialist Equipment for Pupils

The LA is responsible for the purchase of specialist equipment that is essential to avoid discrimination against a person's disability. These would include:

- Standing frames
- Hoists
- Tracked lifting devices
- Adapted seating
- Specialist equipment above a cost of £100. Having regard to recommendations made to OT, SALT, Sensory Service, Physiotherapist or NWSSS.
- Other equipment above a cost of £100. This includes several smaller pieces of equipment bought for the same child at the same time which together total over £100.
- Where equipment costs up to £100 it is the responsibility of the school to fund it.

Equipment Removal / Relocation

In the event that equipment has been provided for a pupil and that pupil transferred to another school, the receiving school will be responsible for arranging for and funding the appropriate transfer of that equipment.

Curriculum and Support for Pupils

In line with the National Curriculum we offer a broad and balanced curriculum that is accessible to all students. We aim to develop positive attitudes in all students, and to ensure their wellbeing by taking account of their varied needs. Disabilities and impairments can limit student access to the building, the curriculum, and to information. Therefore, every teacher will address the individual needs of each student.

Ysgol Mynydd Isa school has a very extensive curriculum that provides entitlement for all through its commitment to equality of opportunity. The components of the National

Curriculum are designed to be accessible by all pupils and is monitored and reviewed annually.

Our teaching strategies enhance learning and participation in a broad and balanced curriculum. All lessons and out-of-school activities and school trips are fully inclusive. We use language that does not offend, and we make staff and students aware of the importance of language. Our resources contain positive images of people with disabilities, and pupils are able to improve their understanding through activities such as learning to use sign language.

Information can be made available in alternative formats that are clear and user-friendly, as required. This will include Braille, audiotape, and large print, or it may be transmitted orally, or through lip-speaking or sign language, or through a recognised symbol system, or through ICT.

The school will liaise with specialists to support individual students. Among these specialists are the following: therapists, such as Physiotherapists and Speech and Language Therapists; school and Community Nurses and Doctors; Educational Psychologists; Inclusion Welfare Officers; and the staff of the voluntary and statutory agencies. We benefit from the LA's advice and its provision through specific school services.

Staff

The access needs of staff are not addressed directly in the Accessibility Plan. The Access to Work scheme run by the LA Employment Service can help to make the workplace more accessible for any existing staff with a disability, or any newly appointed staff.

Monitoring & Evaluation

We monitor a range of data to make sure that all students are making the best progress possible and that none are underachieving. Our monitoring includes:

- Admissions
- Attainment
- Exclusions
- Rewards, sanctions
- Parental and student questionnaires

Ysgol Mynydd Isa will report to the governing body each year on the implementation of their Accessibility Plans and Strategic Equality Plan, in line with the key priorities detailed in the Education and Youth revised strategy. This information will also be included in the Governors' Annual Report to parents.
